

HELP US MAKE A DIFFERENCE IN EDUCATION!

We're making education a top priority, and you can too when you partner with us through the Heffernan Foundation and make a donation to one of our scholarship programs:

College Track Scholarship: Heffernan Foundation's \$100,000 4-year scholarship program

"I wanted my siblings to know that they can do it. Coming from our background, it's hard work, but once you start receiving those letters, it's all worth it."

– Vanesa Lara, 2015 College Track Scholarship recipient

Garee Lee Smith Scholarship: Eight \$5000 scholarships to students working to further their education

"The Garee Lee Smith Scholarship was such a blessing to me. Because of those scholarships, I was able to give more time to the organizations I served without the financial stress I might have faced otherwise"

– David Navarra, Garee Lee Smith Scholarship Recipient

Heffernan Foundation Endowment: Direct funds to a college of your choice
